Time for a well-deserved break from the daily grind as we convene in sunny Atlantic Beach, Florida! This location has it all within steps of the hotel-the beach, shopping, eating and drinking, golfing, fishing, boating, live entertainment, and a luxurious on-site spa where you can unwind after a long day of attending presentations. Make this your ONE conference for 2012! Great rates on rooms (all with ocean view) and significantly reduced rates for oceanfront balcony rooms (these are limited, so book early)!
